

A Maryland Statewide SNF Network

LIFE-TIME CONNECTS NETWORK

A LifeSpan Network & Real Time Medical Systems Partnership

Don't get narrowed out by insurers! As Maryland continues to expand the Total Cost of Care Model and insurers strive for narrower networks - *Life-Time Connects (LTC) Network* provides SNFs the opportunity to own their future in the care continuum of Maryland.

Utilizing Real Time's Interventional Analytics platform, SNFs can effectively and efficiently unite their partnerships with Health Systems, Hospitals, ACOs, and Payers through a single care management platform to improve patient care. In addition, SNFs will also have the opportunity to...

- » Improve Quality Measures
- » Increase Hospital Referrals
- » Manage Length of Stay by Diagnosis
- » Enhance Resident Satisfaction
- » Reduce Rehospitalizations by 50%
- » Provide Consumer Transparency

Join Maryland's only SNF Network driving the future of healthcare!
